WT JONES TRAVELLING FELLOWSHIP
Royal Society of Chemistry

Description:
The Royal Society of Chemistry invites applications for the JWT Jones travelling fellowship. This enables younger chemists to carry out short-term studies in well-established scientific centres abroad and to learn and use techniques not accessible to them in their own country.

Candidates must have been members of the society for at least one year and should be under 45 years of age. They must hold at least a doctorate in chemistry or related subject and should already be in post and actively engaged in independent research. Applicants are required to return to their country of origin upon termination of the fellowship so that the applicant’s home country may benefit from the broadened knowledge acquired during the fellowship.

The fellowship is worth up to £5,000 over one to three months to cover travel and subsistence.

Closing date: 01 Apr 16
Deadline information: Deadlines on: 1 April 2016, 1 July 2016, 1 October 2016, 1 January 2017, and repeated annually.
Posted date: 02 Apr 15
Award type: Travel for research purposes, Postdoctoral training fellowships, Networking/collaboration, Young investigator awards

Award amount max: £5,000
Award budget total: -

NEW ZEALAND FULBRIGHT TRAVEL AWARDS
Fulbright New Zealand

Description:
Fulbright New Zealand invites applications for its travel awards. These enable New Zealand academics, artists or professionals to visit the US in order to present their work to American audiences. Exchanges must include at least one major presentation, but grantees are encouraged to supplement their main activity with others including additional public talks, collaboration with American colleagues, or visits to sites of interest.

New Zealand citizens who are not permanent residents or citizens of the US and who are not currently living in the US, are eligible to apply. Applicants must have a PhD completed or in progress, or the equivalent professional or artistic training or experience, and be confirmed to make at least one major presentation in the US.

Four to eight awards, worth up to NZ$5,000, are granted each year, towards a 12 to 90 day visit to the US. Travel awards are intended to contribute towards international and domestic travel, accommodation and daily expenses. They are not intended for the purchase of equipment or any other research costs.

Closing date: 01 Apr 16
Deadline information: This call is repeated 2 times a year.
Posted date: 12 Jun 15
Award type: Networking/collaboration, Travel to conferences, meetings etc., Publish, edit, translate, disseminate

UNIOR TRAVEL GRANTS
International Headache Society

Description:
The International Headache Society invites applications for its junior travel grants. These enable individuals to attend the European Headache and Migraine Trust International Congress, to be held from 15 to 18 September 2016 in Glasgow, UK.

Graduate or PhD students, postdoctoral scholars or clinicians in training who are members of the society, may apply. Priority is given to those who are less than seven years in postdoctoral or clinical training.

Grants are worth €460 for Europe-based applicants and €760 for applicants from non-European destinations.

Closing date: 01 Apr 16
Deadline information: This call is repeated once a year.
Posted date: 22 Feb 16

Award type: Travel to conferences, meetings etc.

SPONSORED EVENTS GRANTS
Biochemical Society

Description:
The Biochemical Society invites applications for its sponsored events grants. These support single lectures or small events, such as postgraduate research days or one-day mini symposia, at a higher education institution. Preference is given to events that are cross-institutional or student-focused. Applications for support events for school students are not eligible.

Applicants must be members of the society.

Grants are worth up to £500.

Closing date: 01 Apr 16
Deadline information: Deadlines on: 1 April 2016, 1 June 2016, 1 September 2016, 6 January 2017, and repeated annually.

Travel and Conference Grants (April – June, 2016)

TRAVEL GRANTS
European Society for Paediatric Endocrinology

Description:
The European Society for Paediatric Endocrinology invites abstracts for its travel grants. These enable junior delegates, such as fellows in training, postdoctoral and PhD students, to participate in the society’s annual congress.

Applicants must be under 40 years of age and present an abstract at the meeting. Half of the funding will go towards the best abstracts, and the other half to the best abstracts coming from middle and lower income countries. Applicants must indicate whether they are a member of the society, though non-members may also apply.

Grants are worth up to €500 each.

Closing date: 11 Apr 16
Deadline information: This call is repeated once a year.
Posted date: 10 Aug 15
S

CIENTIFIC MEETING GRANTS
Company of Biologists

Description:
The Company of Biologists invites applications for its scientific meeting grants. These support hosting meetings, workshops and conferences within the field of biology, the attendance of young scientists at the proposed event and hosting the visits of plenary or keynote speakers at the meeting.

Grants are generally worth from £2,000 to £6,000, depending on the size of event, and may be larger if justified.

Closing date: 13 Apr 16
 Posted date: 29 Jan 16
Award type: Travel to conferences, meetings etc., Hosting conferences
Award budget total: -
Website: http://www.biologists.com/scientific_grants.html

IDEAL TRAVEL BURSARIES
Society of Chemical Industry

Description:
The Society of Chemical Industry invites applications for the Rideal travel bursaries. These enable young PhD students and early-career postdoctoral researchers to attend meetings or visit institutions for activities related to colloid and surface science.

Applicants must be standard or student society members. Applicants must also be either resident or studying in the UK, or be travelling to the UK for their chosen conference. Applications with no link to the UK will not be considered.
Bursaries are worth up to £250 each for travel within Europe and up to £500 each for travel to another continent.

Closing date: 15 Apr 16
Deadline information: Deadlines on: 15 April 2016, 15 October 2016, and repeated annually.
Posted date: 12 Jan 16
Award type: Travel to conferences, meetings etc., Travel for research purposes, Young investigator awards
Award amount max: £500

ALPH A GALLAGHER TRAVEL GRANTS
Association for the Sociology of Religion

Description:
The Association for the Sociology of Religion invites applications for the Ralph A Gallagher travel grants. These enable graduate students and association members living outside the US to attend the association’s annual meeting and to present their research.

Applicants must be members of the association. Priority is given to graduate students coming to the conference from outside the larger region where the conference is located. International scholars may also request funds to help cover the cost of airfare. Recipients must commit to staying at the conference hotel a minimum of two nights and to participating in the entirety of the meeting.

The budget is US$6,000, which is distributed between several leading applications.

Closing date: 15 Apr 16
Deadline information:

Posted date: 02 Nov 15
Award type: Travel to conferences, meetings etc., Directed grants for individual investigators

ANNUAL MEETING TRAVEL GRANTS
Society for Experimental Biology

Description:
The Society for Experimental Biology invites applications for its annual meeting travel grants. These support biologists who wish to attend the annual scientific conference.

The scheme is open to student and early career scientist members who are presenting a poster or a talk at the meeting.

Grants are worth up to £150 for travel within the UK, £250 for travel from another European country into the UK and up to £400 overseas.

Closing date: 22 Apr 16
Deadline information: This call is repeated once a year.
Posted date: 23 Feb 16
Award type: Travel to conferences, meetings etc.
Award amount max: £400
Award budget total: £12,000
Description:
The Society of Vertebrate Paleontology invites applications for the Jackson School of Geosciences Student Member Travel Grant. This aims to encourage student participation in the society's annual meeting. Applicants must meet the following requirements:
- be a current SVP member at the time of application;
- be currently enrolled at a recognized academic institution;
- be first author on an accepted oral or poster presentation;
- register for the conference by the pre-conference deadline.

Closing date: 22 Apr 16 (Forecast)
Deadline information: !! Call has not yet been announced by funder, but this is the approximate deadline we expect. This call is repeated once a year.
Posted date: 07 Feb 13
Award type: Travel to conferences, meetings etc., Financial aid for postgraduate students
Award budget total: -
**RESEARCHER MOBILITY GRANTS**
*Royal Society of Chemistry*

**Description:**
The Royal Society of Chemistry invites applications for its researcher mobility grants. These enable PhD and master’s students, as well as early-career researchers, to undertake short- to mid-term scientific visits to organisations overseas or in the UK and Republic of Ireland.

Applications are open to chemistry research postgraduate master’s, PhD and postdoctoral researchers who are within 10 years of obtaining their PhD, and to early-career chemical scientists working in industrial, private or commercial organisations, university spin-out companies or research institutes that are UK, ROI or overseas-based applicants.

Grants for all UK and ROI applicants are worth up to £5,000 for one-off overseas visits lasting up to three months and up to £3,000 for one-off UK and ROI visits lasting up to three months; early-career researchers may receive up to £15,000 for multiple overseas visits to the same organisation over one or two years.

Grants for all overseas applicants are worth up to £5,000 for one-off UK or ROI visits lasting up to three months; early-career researchers may receive up to £15,000 for multiple UK or ROI visits over one to two years.

**Closing date:** 22 Apr 16
**Deadline information:** Applications due by 11.59pm BST.

**Posted date:** 07 Mar 16
**Award type:** Travel for research purposes, Networking/collaboration, Travel to conferences, meetings etc., Directed grants for individual investigators
**Award amount max:** £15,000

ETHICON FOUNDATION FUND TRAVEL GRANTS
Royal College of Surgeons of Edinburgh

Description:
The Royal College of Surgeons of Edinburgh, under the Ethicon Foundation Fund, invites applications for its travel grants. These enable candidates to spend time overseas to enhance or obtain relevant surgical experience which is not normally available in their own country. Applicants must demonstrate that the period abroad relates directly to their local country surgical training scheme objectives.

Applicants must be members or fellows of the college in good standing who are in training-grade appointments. However, applications from a more senior level may also be considered. In addition, applicants must have obtained prior approval for the visit from the appropriate training authority in the country of application. UK trainees must produce confirmation of approval from their respective SAC and the GMC where appropriate.

Grants are worth up to £1,000 and aim to cover one economy class return journey. Visits may last from six weeks to one year, although visits of up to two years may be considered.
Travel and Conference Grants (April – June, 2016)

Closing date: 27 Apr 16
Deadline information: This call is repeated 2 times a year.
Posted date: 19 Jan 16

TRAVELLING FELLOWSHIPS
Company of Biologists

Description:
The Company of Biologists’ journals, including the Journal of Experimental Biology, the Journal of Cell Science and the Development, Disease Models & Mechanisms journal, invite applications for their travelling fellowships. These enable
candidates to undertake collaborative visits to other laboratories.

Early-career scientists, including graduate students and postdoctoral researchers, may apply. Applicants should be working in the field of the journal. There is no restriction on nationality.

Fellowships are worth up to £2,500 and cover the costs of travel and other expenses.

Closing date: 30 Apr 16
Deadline information: Deadlines on: 30 April 2016, 31 August 2016, 31 December 2016, and repeated annually.
Posted date: 28 Jan 15
Award type: Travel for research purposes, Networking/collaboration
Award amount max: £2,500
Award budget total: -

RN ROBERTSON TRAVELLING FELLOWSHIP
Australian Society of Plant Scientists

Description:
The Australian Society of Plant Scientists invites applications for the RN Robertson travelling fellowship. This enables graduate research students and recent PhD graduates to undertake research aimed at elucidating plant function and should enhance the current research of the applicant by providing access to expertise and facilities outside of that currently available to them. The aim is to encourage young plant scientists to participate in research in a discipline that differs from their own.

The fellowship should be undertaken at another institution outside of the Australian state in which their current research institution resides. For overseas applicants, the proposed host research institution must be within Australia. Young plant scientists from Australia and overseas, who are doing honours-level projects or postgraduate research projects or have completed their PhD less than two years before the application date are eligible to apply.

Up to two awards are available each year to a maximum value of AU$4,000.

Closing date: 30 Apr 16
Deadline information: Deadlines on: 30 November 2015, 30 April 2016.
Posted date: 06 Nov 15
Award type: Networking/collaboration, Predoctoral fellowships, Travel for research purposes, Early-Career fellowships, Directed grants for individual investigators

TRAVEL AWARD  
Institute of Physics and Engineering in Medicine

Description:
The Institute of Physics and Engineering in Medicine invites applications for its travel award. This supports research or development work through a structured visit to another country.

Applicants must be members of the institute and demonstrate evidence of an active career in physics or engineering applied to medicine or biology.

The award is worth up to £5,000 to cover travel, accommodation and subsistence costs. The recipient is invited to the Medical Physics and Engineering conference dinner to receive the award.

Closing date: 30 Apr 16  
Deadline information: Applications invited between 1 January and 30 April annually. This call is repeated once a year.

Conference Committee Awards
International Society for Neurochemistry

Description:
The International Society for Neurochemistry’s Conference Committee invites applications for its financial support. This supports the organisation of small conferences on specialised neurochemical topics, and sponsors neurochemistry symposia within meetings of other scientific societies or groups.

Proposed conferences or symposiums should be international, preferably intercontinental, as reflected by the composition of the organising committee, the list of prospective invited speakers and the countries of origin of the expected attendees. Applications for local conferences, full short meetings or satellite meetings will not be considered. Applicants must be members of the ISN, or apply for membership alongside their funding application.

ISN provides funds of up to US$20,000 for a small conference, at least 60 per cent of which is to be used to facilitate the attendance of young neurochemists. Symposium funding is worth up to US$7,000, which may be used to cover travel, registration and accommodation expenses of speakers.

Closing date: 30 Apr 16

Deadline information: Applications must be received at least four months before the conference. Deadlines on: 30 April 2016, 31 October 2016, and repeated annually.

Posted date: 08 Feb 16

Award type: Networking/collaboration, Hosting conferences, Travel to conferences, meetings etc.

Award amount max: $20,000

College Travelling Fellowships
Royal College of Physicians and Surgeons of Glasgow

Description:
The Royal College of Physicians and Surgeons of Glasgow invites applications for its travelling fellowships. These enable younger members of the college to travel to centres of excellence in order to gain further experience in any area of surgery, or for members from overseas to visit centres in the
UK. In addition, the fellowships support a variety of other learning opportunities, including taster weeks for junior doctors.

Members and fellows of the college, including introductory postgraduate, associate or affiliate members, as well as members of the faculties of travel medicine and podiatric medicine, may apply.

Up to 16 fellowships, worth up to £2,000 each, are available every year. Four of these are allocated to overseas members. Funding covers travel and subsistence expenses, but does not support attendance at year-long salaried post, courses or conferences.

VISITING FELLOWSHIPS
Biochemical Society

Description:
The Biochemical Society invites applications for its visiting fellowships. These support research capacity building in the field of biochemistry in developing parts of the world, such as Eastern Europe, Africa and the Middle East.

Funding supports either a visitor from a developing country to a host laboratory in a non-developing country in order to learn methods, or a person based in a non-developing country visiting a developing country to assist with the set up of research.

Either the applicant or the person hosting the visiting fellowship must have been a member of the society for over one year. There must be an element of teaching during the visiting fellowship, such as giving research seminars.

Grants are worth up to £2,000 each. Fellowships are tenable between two and four weeks.

Closing date: 01 May 16
Deadline information: Deadlines on: 1 May 2016, 1 June 2016, 1 July 2016, 1 September 2016, 1 November 2016, 1 January 2017, 1 March 2017, and repeated annually.

CONNECTION GRANTS FOR EVENTS
Social Sciences and Humanities Research Council of Canada – Conseil de Recherches en Sciences Humaines

Description:
The Social Sciences and Humanities Research Council of Canada invites applications for its connection grants for events. These support events that may be face-to-face workshops or conferences held in Canada or abroad, discipline-specific, cross-disciplinary, cross-sectoral, or consist of open or closed invitation. The overall aim of the grants is to support events geared toward short-term, targeted knowledge mobilisation initiatives in the field of social sciences and humanities. Suitable activities include organising or co-organising the event, or organising or leading a formal session, workshop or other activity consistent with the objectives of the council’s connection programme.

Applicants may be individuals, teams or institutions. All applicants should be affiliated with an eligible Canadian postsecondary institution while applying or, in the case of postdoctoral fellows and researchers, should establish an affiliation within three months of the grant start date.

Co-applicants may be included from international or Canadian postsecondary institutions, non-profit organisations, philanthropic foundations, think tanks, as well as municipal, territorial or provincial governments.

Grants are worth between CA$7,000 and CA$25,000 over one year, and do not cover more than 50 per cent of the eligible costs.

Closing date: 01 May 16
Deadline information: Applications due by 8pm ET on deadline dates. Deadlines on: 1 May 2016, 1 August 2016, 1 November 2016, 1 February 2017, and repeated annually.

**GROUP STUDY VISITS**

*Deutscher Akademischer Austauschdienst – German Academic Exchange Service*

**Description:**
The German Academic Exchange Service (DAAD) invites applications for its group study visits to Germany. These aim to provide students with subject related knowledge, facilitate meetings with German students, academics and researchers and give the students a greater understanding of and insight into economic, political and cultural life in Germany. Groups visit at least two German universities where they participate in the academic programme.

University teachers from a foreign university are eligible to apply for study trips for groups of a maximum of 15 students. Individual doctoral candidates may also be funded.
Students must be registered at a foreign university and have completed at least one semester.

The grant is worth €50 per student per day towards travel and accommodation for groups from the EU member states, Albania, Australia, Bosnia-Herzegovina, Hong Kong, Iceland, Japan, Canada, Croatia, Liechtenstein, New Zealand, Norway, the Russian Federation, Switzerland, Serbia, South Korea, Taiwan, Turkey, Ukraine and US. For groups from the remaining countries the grant only covers travel within Germany and a meals allowance of €18 per day. For groups from Colombia both flat rate and organised travel are possible. Study visits may last between seven and 12 days.

Closing date: 01 May 16
Deadline information: Applicants are advised to check for special conditions applicable to their home country. Deadlines on: 1 May 2016, 1 November 2016, 1 February 2017, and repeated annually.
Posted date: 24 Mar 15
Award type: Directed grants to institutions, research groups etc, Travel for research purposes
Award budget total: -

CONFERENCE FUNDING
German History Society

Description:
The German History Society invites applications for its conference funding. This provides supplemental funding for conferences dealing with German history.

Conferences do not need to be limited to German history, but should predominantly focus on feature aspects of German history.
Applicants must be members of the society.

Each grant is worth up to £1,000. The society does not provide primary funding, and applicants must have secured other sources of funding.

Closing date: 01 May 16
Deadline information: Deadlines on: 1 May 2016, 1 September 2016, 1 January 2017, and repeated annually.
Posted date: 02 Dec 15

TRAVEL SCHOLARSHIPS
University of the Faroe Islands

Description:
The University of the Faroe Islands invites applications for its travel scholarships. These are given to assist with travelling expenses to non-Faroese students pursuing higher education, research students, and other visiting students.

The journey must be part of the applicant’s studies or research work, related to Faroese matters. Applications must include a confirmation of a visiting agreement with the University of the Faroe Islands or cooperating institutes in addition to confirmation from the home university that the travel is part of the applicant’s educational programme.

Grants are worth DKK3,000 to applicants from Denmark, Iceland and Great Britain; DKK4,000 to applicants from Norway, Sweden and Finland; and DKK5,000 to applicants from other countries. Student groups will receive smaller amounts per person than above mentioned.

Closing date: 02 May 16
Deadline information: This call is repeated once a year.
Posted date: 02 Feb 16

SOCIETY CONFERENCE GRANTS
Society for General Microbiology

Description:
The Society for General Microbiology invites applications for its society conference grants. These provide members with financial support in order to attend the society’s meetings.

Closing dates to apply for conference grants are as follows:

- 2 May for the Irish division meeting on host-pathogen interactions, which will be held from 30 June to 1 July 2016;
- 6 June for the focused meeting on molecular biology of Archaea 5, which will be held from 1 to 3 August 2016;
- 4 July for the Irish division meeting on the human microbiome, which will be held from 1 to 2 September 2016;
- 1 August for the focused meeting on molecular biology and pathogenesis of avian viruses, which will be held from 27–29 September 2016.

Eligible applicants include: postgraduate society members who are attending their first society conference; postgraduate society members who are presenting work; full members who are postdoctoral researchers and are presenting work; full members who are working as technicians in microbiology laboratories who can justify how attendance will benefit their professional development; full members who are retired, whose membership has not lapsed, and who can justify how attendance will benefit early-career delegates, for example through mentoring.

Award amount is dependent on distance from the conference venue, number of days attending, need for accommodation and conference registration fee. Grants are worth up to £300 for the Irish division meetings and the focused meetings.

Closing date: 02 May 16
Deadline information: Applications are due by 2 May, 6 June, 4 July and 1 August for eligible meetings.

Research Travelling Fellowship
North American Spine Society

Description:
The North American Spine Society invites applications for its research travelling fellowship. This enables a fellow to spend at least five months at a medical centre other than the facility at which they currently practice.

New investigators are encouraged to apply, although any qualified applicant in any speciality is considered. International candidates may apply. Medical residents may be considered provided that they have a mentor or faculty support. Applications should include an agreement from the selected centre to accept the applicant.

The fellowship is typically worth between US$3,000 and US$7,000 for travel and housing costs.

Closing date: 09 May 16
Deadline information: Applications due by 12 midnight CST. This call is repeated once a year.

Award type: Directed grants for individual investigators, Travel for research purposes, Personal development

CLINICAL TRAVELLING FELLOWSHIP
North American Spine Society

Description:
The North American Spine Society invites applications for its clinical travelling fellowship. This enables a fellow to spend at least one month at three to five medical centres to study spine techniques.

New investigators are encouraged to apply, although any qualified applicant in any speciality may be considered. Applications should include an agreement from the selected centre to accept the applicant. International candidates may apply. Medical residents may
be considered provided that they have a mentor or faculty support.

The fellowship is typically worth between US$3,000 and US$7,000, and covers travel and housing costs.

SPONSORSHIP GRANTS FOR CONFERENCES
Society for the Study of Medieval Languages and Literature

Description:
The Society for the Study of Medieval Languages and Literature invites applications for its sponsorship grants for conferences and other events. These promote research in medieval languages and literature by sponsoring a range of relevant conferences, lectures and other events.

Preference is given to applications for events in locations or on subject areas that are underrepresented in medieval studies.

Members of the society may apply. The society is particularly interested in providing financial sponsorship which facilitates access to conferences for graduates and early career academics and supports graduate and early career academic attendance and participation.

Grants are for more than £500.

Closing date: 11 May 16 (Forecast)
Deadline information: !! Call has not yet been announced by funder, but this is the approximate deadline we expect. This call is repeated 3 times a year.

INDEPENDENT MEETINGS
Biochemical Society

Description:
The Biochemical Society invites proposals for its independent meetings. Funding supports scientific events that are organised entirely by an outside organisation, ranging from one-day symposia to international conferences. Proposals must address the following theme panels:

- genes;
- molecular structure;
- energy and metabolism;
- cells;
- signalling;
- biological systems.

Applications for postgraduate research days or mini-symposia are not considered. At least one person of the organising committee must be a member of the society.

Grants are worth up to £500 each.

**POSTGRADUATE MEETINGS AWARDS**
*Quaternary Research Association*

**Description:**
The Quaternary Research Association invites applications for its postgraduate meetings awards. These enable postgraduates to attend association meetings, namely field meetings and annual discussion meetings.

Registered postgraduates who are current members of the association may apply.

Applications are particularly encouraged from students in their first year of postgraduate study. The main criteria for the distribution of awards will be relevance to research topic and financial need.

Awards normally cover 50 per cent of the costs of the meeting, excluding travel to the venue.

ORENTZ CENTER WORKSHOPS

Lorentz Center

Description:
The Lorentz Center, with funding from the Netherlands Organisation for Scientific Research (NWO), invites applications for support to host the Lorentz Center international workshops. These encourage ground breaking innovative research and focus on stimulating new collaborations and interactions between scientists from different countries and fields. Workshops are often in the domain of the sciences, but interaction with and broadening towards the humanities is encouraged.

Two Lorentz workshop facilities offer space for groups of up to 55 participants. Workshops typically last four or five days.

Academic researchers in any country and from any scientific or scholarly discipline are eligible to apply.

The number of lectures is limited to ensure time for interaction and discussion.

A budget of €700,000 per year is contributed by NWO.

Closing date: 15 May 16 (Forecast)
Deadline information: !! Call has not yet been announced by funder, but this is the approximate deadline we expect.
Applications due by 11.59pm.
Posted date: 21 Oct 15
Award type: Directed grants for individual investigators, Hosting conferences, Networking/collaboration
Award budget total: €700,000

Design History Society

Description:
The Design History Society invites applications for its research, travel and conference grants. These assist those who need to travel to conduct essential research for their design history scholarship or to present new research at key academic conferences. In particular the grant will be used towards:

- costs incurred during research trips, including travel and accommodation to conduct vital primary or secondary research, photocopying and scanning costs at archives or libraries, or library memberships;
- registration fees, travel and accommodation costs to present a paper, poster or convene a session at an academic conference.

The research travel or conference must take place within 12 months of the application deadline.

Scholars located anywhere in the world, whether independently or in the employ of an institution are eligible, but students are not eligible. Only members of the society may apply.

The total amount available is £3,000, which will be divided amongst several applications. Grants are worth up to £1,000.

Closing date: 15 May 16
Deadline information: This call is repeated once a year.

Description:
The Canada Council for the Arts invites applications for its national and international project grants, under its Aboriginal peoples collaborative exchange programme. These enable Aboriginal artists to travel to other Aboriginal communities to collaborate in a traditional or contemporary artistic practice. Projects should aim to be:

- creative – with two artists or groups of artists creating a work together;
- developmental – developing artistic skills and techniques among participants, advancing traditional or contemporary artistic knowledge, and exploring artistic themes;
- exploratory and research-based – artistic research with Aboriginal communities to recover, examine, and authenticate traditional histories and artistic practices.

Applications are open to Canadian Aboriginal individual artists, arts groups, artists’ collectives and arts organisations. Foreign indigenous artists must apply through a Canadian Aboriginal arts group, collective or organisation. Applications may be made in any chosen Aboriginal language.

Grants for individuals are worth up to CA$5,000 for travel within Canada and CA$10,000 for travel outside of Canada. Grants for groups or collectives are worth up to CA$20,000 for travel within Canada and CA$30,000 for travel outside of Canada.

Closing date: 16 May 16

Deadline information: Applications due on 15 May and 15 November annually. If deadlines fall on a weekend or statutory holiday, applications are due on the next business day.

VISITING RESEARCHERS SUPPORT PROGRAMME GRANTS
International Information Science Foundation

Description:
The International Information Science Foundation invites applications for its visiting research support programme grants. These cover the travel expenses of young computer scientists who visit Japan for research purposes falling under information or computer science. Supported activities include giving presentations at international conferences in Japan, or conducting research at Japanese universities or research institutes. Visits should take place between 1 July 2014 and 31 March 2015.

Scientists doing fundamental research, including graduate studies, in computer science at a university or research institute are eligible to apply, given that they are citizens of a country other than Japan and under 40 years of age.

Grants are worth ¥200,000 for European and ¥170,000 for Australian and North American applicants. Grant amounts for applicants from other areas vary.

Closing date: 31 May 16 (Forecast)
Deadline information: !! Call has not yet been announced by funder, but this is the approximate deadline we expect. This call is repeated once a year.

ISITING SCHOLARS AND CONSULTANTS GRANTS FOR INSTITUTES IN DEVELOPING COUNTRIES
Abdus Salam International Centre for Theoretical Physics

Description:
The Abdus Salam International Centre for Theoretical Physics invites applications for its visiting scholars and consultants grants for institutes in developing countries. Funding provides assistance to institutes or research groups in developing countries requiring expert advice to enhance existing activities or to initiate a new research programme. The aim is to establish a permanent link between an outside expert in a field of physics or mathematics and the applicant institute.

Applications may be submitted by host institutions in developing countries. The visiting scientist should be an established researcher who makes a commitment to visit the host institution two or three times, with
visits lasting approximately one month each, over a period of three years.

Grants cover the travel costs of the visiting scientist and do not normally exceed €2,500 per visit.

Closing date: 31 May 16  
Deadline information: Deadlines on: 31 May 2016, 30 September 2016, and repeated annually.  
Posted date: 15 Dec 14

**DEADLINE BROUGHT FORWARD: GRANTS FOR SCIENTIFIC MEETINGS HELD IN DEVELOPING COUNTRIES**

**TWAS**

**Description:**
The World Academy of Sciences has brought forward the deadline for its grants for scientific meetings held in developing countries. The previous closing date of 1 June has been brought forward to 31 May 2016. All other call details remain unchanged.

These grants support the organisation of high-level international and regional scientific activities in developing countries by offering financial assistance to the organisers of conferences, workshops, symposia and special meetings. Grants are offered for meetings in the agricultural, biological, chemical, engineering, geological and medical sciences.

Applications are open to organisers of international and regional scientific meetings in developing countries.

Travel grants worth up to US$5,000 are available to assist principal speakers from abroad or participants from developing countries.

VISITING LECTURERS AND FÜRTH VISITING LECTURERS
Royal Society of Edinburgh

Description:
The Royal Society of Edinburgh invites applications for its visiting lecturers and Fürth visiting lecturers scheme. This enables individuals of suitable standing from elsewhere in the UK or overseas to visit Scotland in order to deliver one or more lectures in Scottish institutions.

Each lecturer must be nominated by a fellow of the society who is expected to act as chairman at the lecture. The lecture must be open to anyone. Joint applications from fellows and members of the Young Academy of Scotland are prioritised.

Grants are worth up to £350 each. Funding may be used for travel and subsistence expenses, and suitable entertainment. Members are expected to seek funds from other grant giving sources in the UK or overseas.

Closing date: 31 May 16
Deadline information: Applications due four months prior to the scheduled event.

MOBILITY GRANTS
European Society for Radiotherapy and Oncology

Description:
The European Society for Radiotherapy and Oncology invites applications for its mobility grants. These enable clinicians and scientists working or studying in the field of radiation oncology to visit another institute to learn about or gain experience with different techniques and equipment. Visits should last between one and three weeks.

Applicants must be ESTRO members.

For a single applicant a maximum of €700 is reimbursed for travel, accommodation and per diem costs; for groups the maximum is €2500. The annual budget is €50,000.

Closing date: 31 May 16
Deadline information: This call is repeated 2 times a year.
Posted date: 04 Jun 15
Award type: Personal development, Travel for research purposes, Directed grants for individual investigators, Directed grants to institutions, research groups etc
Award amount max: €2,500

**THEMED SCIENTIFIC MEETING GRANT**
*Society for Endocrinology*

**Description:**
The Society for Endocrinology invites proposals for its themed scientific meeting grant. This supports the best new science by funding a short, focused, scientific meeting lasting typically one to two days with a single theme, which consists of presentations from established and emerging investigators. Representation of women and under-represented minorities in the faculty are encouraged. Meetings are expected to be hosted within the organiser’s host institution.

Applicants should be members of the society of at least one year’s standing. Clinical and science committees, endocrine networks and society journal editorial boards are encouraged to apply. The society may consider co-funding meetings with other academic societies, but will not support an existing meeting series.

One grant, worth up to £10,000, is available each year. The meeting must take place within 18 months after grant approval.

**Closing date:** 31 May 16
**Deadline information:** Deadlines on: 30 November 2015, 31 May 2016.
**Posted date:** 16 Jun 15
**Award type:** Hosting conferences
**Award amount max:** £10,000
**Award budget total:** £10,000

HIGHLIGHT NOTICE FOR INTERNATIONAL DEVELOPMENT – RESEARCH NETWORKING SCHEME
Arts and Humanities Research Council

Description:
The Arts and Humanities Research Council, under its research networking scheme, invites applications for the highlight notice for international development. This aims to encourage research networking proposals which explore the contribution that arts and humanities research can play in debates about international development and to the UN 2030 agenda for sustainable development. It also seeks to support the development of international boundary crossing collaborations with countries which receive Official Development Assistance (ODA) or with organisations which play an important role in supporting international development.

Proposals must be led by a UK principal investigator and principal investigators must come from a discipline in the arts and humanities. Only one co-investigator is permissible; international co-investigators are eligible under this scheme. In addition to these ordinary requirements for the research networking scheme, proposals under the highlight notice must demonstrate support for the development of significant collaborations with researchers or non-academic partners in at least one of the 146 countries which are ODA recipients, or with relevant international organisations with remits that include supporting development in ODA recipient countries. These could be overseas academic co-investigators, project partners or project collaborators as appropriate but should play a significant role in the development of the network beyond participation in events.

Grants are worth up to £30,000 each over two years. An additional £15,000 full economic cost may be provided to cover the costs of any international participants or activities in addition to the scheme limit.

Closing date: 31 May 16
Deadline information: Applications due by 12 midnight. Proposals relevant to this notice will be accepted after the deadline but will not be eligible for supplementary funding or have an increased chance of funding.
Posted date: 22 Jan 16
Award type: Networking/collaboration, Directed grants for individual investigators, Travel to conferences, meetings etc., Directed grants to institutions, research groups etc, Hosting conferences

STUDY VISITS
Experimental Psychology Society

Description:
The Experimental Psychology Society invites applications for its grants for study visits. These enable postgraduates and postdoctoral researchers in experimental psychology to visit another institution outside their individual academic base to develop their research skills. Visits may involve learning about experimental procedures employed in the host laboratory, or designing and running studies that cannot be carried out in the grantee’s home department.

Applicants should be registered for a PhD or have obtained their PhD within the last five years. Applicants may be of any nationality but either their home institution or the institution to be visited must be in the UK. Preference is given to applicants supervised by a member of the society.

Grants are worth up to £2,000 to cover the costs of travel and accommodation. The society reimburses the host institution for actual costs incurred as a result of the visit, up to £100.

Closing date: 01 Jun 16
Deadline information: Deadlines on: 1 June 2016, 1 September 2016, 1 December 2016, 1 March 2017, and repeated annually.

CONFERENCE AND WORKSHOP GRANTS
Wenner-Gren Foundation for Anthropological Research

Description:
The Wenner-Gren Foundation for Anthropological Research invites applications for its conferences and workshops grants. These support events that foster the creation of an international community of research scholars and advance significant and innovative anthropological research. Priority is given to major conferences sponsored by large international anthropological organisations that serve as their annual or periodic meetings.

Applicants must be professional anthropologists who are the primary organisers of the proposed conference or workshop. A co-applicant may be specified on the application.

Grants are worth up to US$20,000.

Closing date: 01 Jun 16
Deadline information: Applicants wishing to submit an application by conventional mail must notify the foundation of their intent to apply at least one week before the deadline. Deadlines on: 1 June 2016, 1 December 2016, and repeated annually.

RESEARCH STUDENT CONFERENCE FUND
Institute of Physics

Description:
The Institute of Physics invites applications for its research student conference fund. The aim of the fund is to provide financial support to research students to attend international meetings and major national meetings. Meetings organised by IOP, IOP groups and IOP divisions are ineligible for support.

Bursaries are available only to PhD students who are members of the institute and of an appropriate institute group.

Applicants may apply for up to £250 during the course of their PhD.

Closing date: 01 Jun 16
Deadline information: Applications must be received at least three months before the chosen conference. Deadlines on: 1 June 2016, 1 September 2016, 1 December 2016, 1 March 2017, and repeated annually.

TRAVEL BURSARIES FOR JUNIOR SCIENTISTS
Journal of Comparative Pathology Educational Trust

Description:
The Journal of Comparative Pathology Educational Trust invites applications for its travel bursaries for junior scientists. These enable junior scientists working in the field of animal pathology to:

- attend and present at a scientific conference;
- make a short visit to another institution or laboratory in order to learn a technique or skill not available at their own institution.

Each applicant must be currently training in anatomical pathology as part of a recognised residency programme at an accredited European institution, currently registered for a higher degree in a relevant field or an early-career postdoctoral research assistant working on a project related to animal pathology. Postdoctoral research assistants may apply for visits but not conference funding.

Conference grants are worth £500 each, while visit grants are worth up to £3,000 each.

Closing date: 01 Jun 16

Deadline information: Deadlines on: 1 June 2016, 1 December 2016, and repeated annually.

DEADLINE BROUGHT FORWARD: CONFERENCE GRANT
Novo Nordisk Fonden – Novo Nordisk Foundation

Description:
The Novo Nordisk foundation, via the Copenhagen Bioscience Conferences, has brought forward the closing date for its conference grant. The previous deadline of 1 July has been brought forward to 20 June 2016. All other details remain unchanged.

This grant enables researchers to attend the conference on protein signalling – from pathways to networks, to be held 2 to 6 October 2016, in Copenhagen, Denmark. The meeting will bring together world leading researchers in the area of protein signalling, focus will be on the protein-driven mechanisms that have fundamental roles in many pathological conditions, including cancer, hematopoietic and immune deficiencies, metabolic disorders and ageing.

Scientifically accomplished researchers of all levels may apply.

The grant covers registration fee, accommodation and local costs. Participants are expected to cover their own travel expenses. Travel grants are available.

Closing date: 20 Jun 16
Deadline information:

**TRAVEL GRANTS**

*Malacological Society of London*

**Description:**
The Malacological Society of London invites applications for its travel grants. These support attendance at a conference or workshop related to malacology. The December 2015 call is dedicated to travel to the 2016 UNITAS congress in Malaysia.

Preference is given to students, but researchers without professional positions may also apply. Members and those who have not previously received funding from the society are prioritised.

At least five grants are awarded each year. For this round only, the society will match UNITAS funding. This means members may apply for up to £600 for long-distance travel and £300 for shorter distance, and non-members may apply for up to £400 for long-distance travel and £200 for shorter distance.

**Closing date:** 30 Jun 16

INTER MOBILITY PROGRAMME
National Research Fund Luxembourg

Description:
The National Research Fund Luxembourg invites applications for funding under its INTER mobility programme. This promotes scientific exchange between research groups based at the Luxembourg public research institutions and research groups from abroad in order to foster innovative, internationally competitive research and knowledge exchange. The programme enables postdoctoral and senior researchers working in Luxembourg visit a leading research institution in the field, or the visit of established senior researchers in Luxembourg public research institutions.

The beneficiary has to be a Luxembourg public institution, an administration or a public service authorised to undertake R&D activities or technology transfer in their fields of activity. The exchange must take place between a
Luxembourg public research institution and a foreign public or private institution. The researcher must be employed as a researcher by their home institution before, during, and after the visit. The secondment has to be carried out in a different country from where the fellow has been principally working in the two years preceding the call deadline. Early-stage researchers, such as PhD candidates, are not eligible.

Visits may last between six weeks and one year. Grants cover salary costs for the researcher, travel costs for researcher and family, a mobility allowance of €1,000 per month, or €1,500 per month for a researcher with family charges, and other costs, including visa and additional health insurance.

Closing date: 30 Jun 16
Deadline information: Applications due by 20 January and 30 June, or next working day, annually.
Posted date: 18 Nov 15

Description
The International Organisation for the Study of Inflammatory Bowel Disease invites applications for its travel grants. These enable physicians or researchers to visit foreign inflammatory bowel disease centres for research, projects or clinical experience. The aim is to promote multinational communications pertaining to IBD and the development of IBD care and research worldwide.

Applications are welcomed from individuals of any nationality, who hold an MD or PhD degree. All applicants must be proposed and sponsored by an organisation member.

One grant, worth up to US$20,000, is available for a stay of two to six months’ duration.

Closing date: 30 Jun 16
Deadline information: This call is repeated once a year.
Posted date: 30 Jul 15

HIGHLIGHT NOTICE FOR THE UN INTERNATIONAL DECADE FOR PEOPLE OF AFRICAN DESCENT – RESEARCH NETWORKING SCHEME
Arts and Humanities Research Council

Description:
The Arts and Humanities Research Council, under its research networking scheme, invites applications for the highlight notice for the UN international decade for people of African descent. This aims to encourage research networking proposals which are relevant to the UN international decade for people of African descent. The UN cites the need to strengthen national, regional and international co-operation in relation to the full enjoyment of economic, social, cultural, civil and political rights by people of African descent, and their full and equal participation in all aspects of society. The theme for the international decade is People of African descent: recognition, justice and development, and the main objectives are as follows:

- promote respect, protection and fulfilment of all human rights and fundamental freedoms by people of African descent, as recognised in the Universal Declaration of Human Rights;
- promote a greater knowledge of and respect for the diverse heritage, culture and contribution of people of African descent to the development of societies;
- adopt and strengthen national, regional and international legal frameworks according to the Durban declaration and programme of action and the international convention on the elimination of all forms of racial discrimination and to ensure their full and effective implementation.

Proposals must be led by a UK principal investigator and principal investigators must come from a discipline in the arts and humanities. Only one co-investigator is permissible; international co-investigators are eligible under this scheme. In addition to these ordinary requirements for the research networking scheme, proposals under the highlight notice must demonstrate a core arts and humanities research focus on issues of specific relevance to people of African descent or the international decade for people of African descent and engagement with, or the participation of, researchers or communities of African descent or with relevant community, cultural, heritage, creative or professional organisations or relevant providers of community services.

Grants are worth up to £30,000 each over two years. An additional £15,000 full economic cost may be provided to cover the costs of any international participants or activities in addition to the scheme limit.

Closing date: 30 Jun 16
Deadline information: Applications due by 12 midnight. Proposals relevant to this notice will be accepted after the deadline but will not be eligible for supplementary funding or have an increased chance of funding.

Posted date: 22 Jan 16
Award type: Travel to conferences, meetings etc., Networking/collaboration, Directed grants for individual investigators, Directed grants to institutions, research groups etc, Hosting conferences
Award amount max: £45,000
