## **J**WT JONES TRAVELLING FELLOWSHIP *Royal Society of Chemistry*

### **Description:**

The Royal Society of Chemistry invites applications for the JWT Jones travelling fellowship. These enable younger chemists to carry out short-term studies in well-established scientific centres abroad and to learn and use techniques not accessible to them in their own country. Candidates must be members of the society and should be under 45 years of age. They must hold at least a doctorate in chemistry or a related subject and should already be in post and actively engaged in independent research. Applicants are required to return to their country of origin upon termination of the fellowship. Awards are worth a maximum of £5,000 over one to three months to cover travel and subsistence.

**Closing date: 01 Jul 13**

**Deadline information: Deadlines on: 1 July 2013, 1 October 2013, 1 January 2014, 1 April 2014, and repeated annually.**

## **I** NTER MOBILITY PROGRAMME *National Research Fund Luxembourg*

### **Description:**

The National Research Fund Luxembourg invites applications for its INTER mobility programme. This helps postdoctoral and senior researchers working in Luxembourg visit a leading research institution in their field abroad, or researchers working abroad to visit a Luxembourg public research institution.

The exchange must take place between a Luxembourg public research institution and a foreign public or private institution. The Luxembourg-based researcher may visit several organisations abroad. The proposal may cover the expenses for two researchers, one from the Luxembourg based group to the group abroad and one from the group abroad to the Luxembourg group. Researchers must be employed by their home institution before, during and after the visit. The secondment has to be carried out in a different country from where the fellow has been principally working in the 24 months preceding the call deadline.

The programme covers salary costs, travel costs for the researcher and family, a mobility allowance and other additional costs for a period of six weeks to a year.

**T**RAVEL GRANTS

*White House Historical Association*

**Description:**

The White House Historical Association invites applications for its travel grants. The purpose is to defray travel and accommodation costs for scholars conducting research at the National Archives and Records Administration, Presidential Library System, Library of Congress, or other appropriate repository. The association wishes to encourage new scholarship on the history of the White House. Projects that make use of textual and non-textual records pertinent to the president, first family and subordinates while the president lives in the White House are considered. The focus should be the White House, including life and work there, as well the physical structure. Topics would include:

- image of the White House;
- White House personnel;
- social and diplomatic functions;
- study of the structure and its contents;
- family life;
- communications.

Preference is given to those undertaking dissertation or post-doctoral research with plans for publication, but all proposals, including graduate-level research and independent projects, will be considered. Grants are worth up to \$2,000.
